

TerraPro Inc. is committed to being a good neighbor and to building and maintaining positive, mutually beneficial relationships with Indigenous people and communities.

We acknowledge that Indigenous people are the original inhabitants and care-takers of this land, and that they maintain Indigenous rights and title in Canada. We recognize and respect that Indigenous people have unique cultures, tradition and knowledge.

We are committed to working respectfully with Indigenous people and communities who have an interest in our business from whom we can procure goods and services, whom we can build partnerships with or to whom we can provide employment or training to support the fulfillment of our mission.
