## **PASQUA FIRST NATION GROUP OF COMPANIES AND TERRAPRO INC. ANNOUNCE PARTNERSHIP**

PASQUA, SK and SHERWOOD PARK, AB – With an objective to create shared value through partnership, Pasqua First Nation Group of Companies (“PFNGC”) and TerraPro Inc. (“TerraPro”) are proud to announce their partnership.

PFNGC is responsible for the development of new businesses, partnership and equity holdings that will contribute to the wealth and economic sustainability for the Nation. With traditional values at the forefront of all activities, the group works towards creating an environment that promotes a higher quality of life and a future for all through deliberate business development opportunities and partnerships.

"I am excited today because we are launching a new partnership with a progressive company with a commitment to Indigenous inclusion" said Richard Missens, President and CEO, PFNGC. "Industry champions, such as TerraPro, have a definite impact in assisting First Nations increase their participation in the local and national economies".

"Meaningful partnerships with industry, those that drive tangible net benefits to Indigenous communities, are critical to advancing reconciliation and the economic activity in proximity to our community welcomes the services that we can offer, in partnership with TerraPro" said Chief Matthew Peigan, Pasqua First Nation.

With a focus on building relationships with Indigenous communities where shared goals, objectives and values exist, TerraPro has the opportunity to expand operations in Treaty 4 Territory and is doing so in partnership with PFNGC. "I went to school not far from Pasqua and the opportunity to spend more time on the territory, to get to know the community and to learn from Chief, Richard, Mark and Treena as we purposefully expand in the region is exciting" stated Colin Schmidt, President and CEO, TerraPro.

"Partnerships, such as the one we have with TerraPro, provide distinct competitive advantages, mutual benefits within this industry and endless opportunities in other industries as we combine abilities, resources, and experiences" said Missens.

As a leader in the Canadian matting industry with a growing earthworks division, in partnership with PFNGC, TerraPro has identified opportunities for further growth. "Our purpose is to help people access meaningful and fulfilled lives. Experience has taught us that this is best achieved when we work in partnership and create shared value with our Indigenous community partners and our clients" said Schmidt. "I am excited about this and the future, bring on 2021!".
